Jet Company*

# About us

Fly Free Airways is a dedicate private jet advisor based in Italy performing charter services worldwide

Our Team has been keen on business aviation since 2005 arranging private corporate and shared flights

We provide direct access to worldwide fleet of 4500+ aircraft and make independent private aviation advice to ensure you take the newest and safest private jet in the best conditions.

# Our approach to customer care

## YOUR PREFERENCES

We are passionate about what we do, so our highly trained team of experts offers an unparalleled service tailored to your requirements and preferences.

## PERSONAL EMPATHY FOR EACH CUSTOMER

Our empathy for each customer's case involvement in all the processes are the keys to Fly Free Airways Management's success in recent years.

## VIP EXPERIENCE

For us, it's the little details that matter - it's not just about providing with exceptional service and invaluable advice, ensuring a seamless VIP experience from start to finish.

## ULTIMATE SAFETY AND REAL MAGIC

We inspect all the services and aircraft to guarantee you will get this feeling of happiness, ultimate safety, and the real magic of private aviation.

# Fly Free Airways offers the following outstanding services:

## (1) EXECUTIVE AIRLINE CHARTER

Executive airlines are the crème de la crème of the private jet charter world, with business and conference centers, lounge areas, and private suites ideal for conducting business in the air or simply traveling with outstanding comfort with your family.

## (2) BUSINESS JET CHARTER

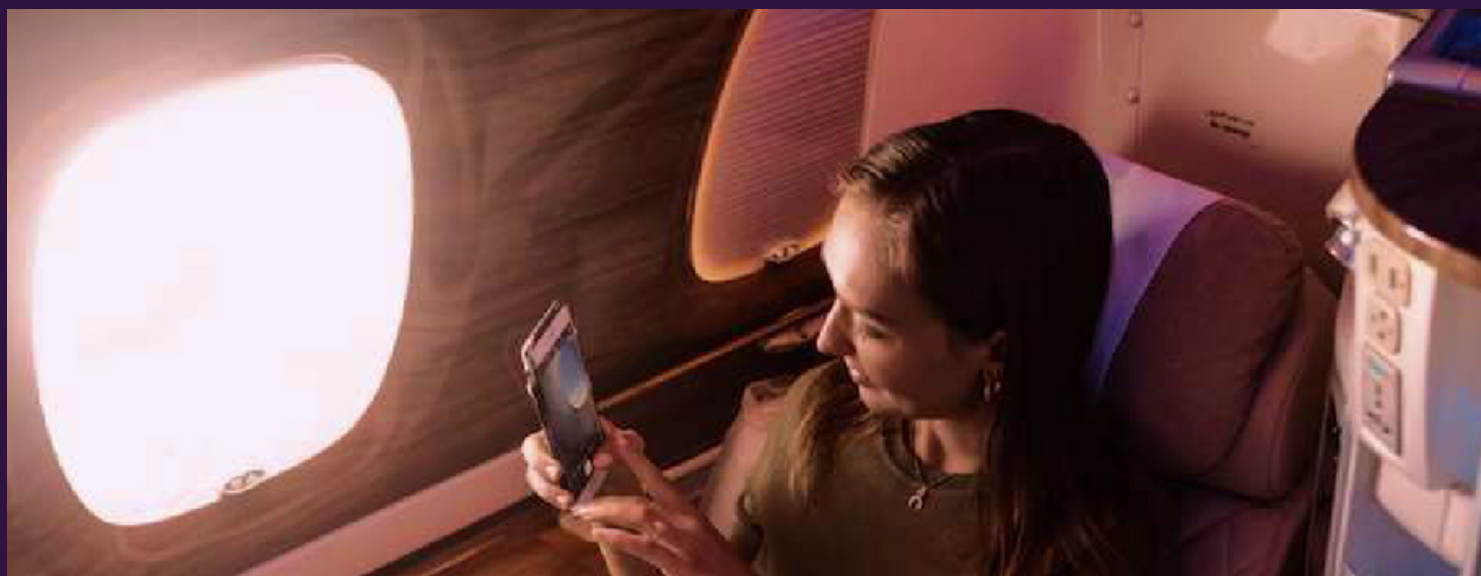

We ensure a flawless travel experience whether a multi-stop trip, a last-minute business meeting or frequent corporate charter trips are required.

We can guarantee that no matter how short notice, we can get you where you need to be as our team of experts is on hand 24 hours a day to handle all the arrangements.

# Fly Free Airways offers the following outstanding services:

## (3) COMMERCIAL JET CHARTER

If you are traveling in a group of more than 16 people, hiring a commercial jet airliner offers comfort and superior facilities, which eclipse first class travel on commercial airlines.

We arrange jet airlines for product launches, corporate events, sports, clubs, musical, and hospitality trips.

They prove a great success with our clients because we offer a hassle-free service with dedicated check-in desks, direct routes, and departures tailored to your schedule.

Chartering a private airliner is the perfect way for your group to travel together, and you will be surprised by the price per head.

# Fly Free Airways offers the following outstanding services:

## (4) AIR CARGO SERVICES

Transporting goods privately may be complex. However, we can simplify this process and ensure a fast, reliable air freight service.

Our experts will provide comprehensive logistical support and assist you through the entire process, whatever your cargo or freight.

You can rely on us in terms of safe and secure transport your high-valued, heavy, or outsized equipment.

Fly Free Airways can provide you with a timely and effective cargo solution bespoke to you.

# Fly Free Airways offers the following outstanding services:

## (5) JET SHARING

We are the first team who launched shared flights in Europe in 2021.

The all-year-round smart and reliable connection between, and Nice, London, Moscow, and Larnaca was the key achievement of our international team.

The main idea of our shared flight experience is a unique social club.

People with similar interests and cultural backgrounds spend several hours communicating.

Each flight enriches you with new connections, brand new business ideas, and friendships sometimes.

It often leads even to new business projects and strong relations outside the aircraft.

# Fly Free Airways offers the following outstanding services:

## (6) AIR AMBULANCE SERVICES

Air medical evacuation (also known as a medevac or medivac) is a method of private air transportation for patients who are too ill or injured to endure the rigors of commercial flights.

Fly Free Airways offers an international medevac air ambulance for patients across the world, often in remote regions, and we operate a rapid response service to arrange medevac flights and crew at a moment's notice, 24 hours a day.

The aircraft is equipped with the latest medical equipment, including an intensive care unit, and are manned by a medical flight crew, including a doctor and/or a nurse.

We arrange a medical team on board to care for patients with all needs, from trauma, burns, respiratory problems, multiple organ failure, and other life-threatening critical conditions.

# Start your magic journey with Fly Free Airways

Leave your charter inquiry to our team, and your dedicated personal Account Manager will handle the details.

We can advise on the most suitable aircraft for your needs and make all the arrangements in one seamless service.
